This document supersedes all previous Authorizations to Mark for the listed Report Number.

This Authorization to Mark is for the exclusive use of Intertek's Client and is provided pursuant to the certification agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Authorization to Mark. Only the Client is authorized to permit copying or distribution of this Authorization to Mark and then only in its entirety. Use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. Initial Factory Assessments and Follow up Services are for the purposes of determining compliance with the conformity assessment requirements only and do not relieve the Client of its obligations to maintain its quality program following the granting of certification. Except as provided for in the applicable agreement, they are not for the purposes of production quality control and do not relieve the Client of its obligations.
